Information about the luxurious eco wood-fired hot tub

What's included with the wood-fired hot tub:

Your exclusive Naked Flame Eco-Love tub hot tub is right outside your pod. It is cleaned and filled with fresh water before your arrival.

Firewood/fuel, firelighters & matches - enough for 2-3 hours bathing time per day, extra wood can be purchased at reception to extend your time if required.

Depending on the time of year, the water takes 1.5 -2 hours to heat up, so simply light the firebox before your BBQ and it will be ready for an evening's relaxation. Please note we run a noise curfew where we do not allow loud music or car radios played loudly on site and no noise outside after 11pm. Use of the hot tub after 11pm is not allowed due to our noise curfew so everyone can enjoy the peace and quiet during their stay.

The minimum age for the hot tub is 5 years old; under-14s must be supervised by an adult. Only plastic drinking glasses are to be used when bathing, which are provided for you. The hot tubs are called 'love tubs' so only 2 adults allowed at one time, please note we do not wish to see any nudity as we are a family run Holiday Park.

During freezing conditions, the hot tubs may not be available - this is rare, but if does occur we'll refund you your hot tub fee.

If you have a heart condition, high blood pressure, pregnant or any medical condition please consult your doctors prior to using the hot tub.

Please be advised that Queensland Holiday Park reserve the right to review and alter these glamping terms and conditions accordingly when ever necessary.
